

TEST THREE

In each of the lines below, the first two words are related to each other in some way. You are to see what the relation is between the first two words, and find the one word in the parenthesis that is related in the same way to the third word, writing the number of that word in the margin at the end of each line.

- body—skeleton :: novel—(1 write, 2 plot, 3 novelty, 4 magazine, 5 story).....
